Governors Club *Bridal Luncheon*

Story & Photography by Ashley Deal

Tables set precisely, mimosas at the entrance, and music by the Respectables made for a perfect Friday afternoon at the Governors Club Pleasant Hill mansion. Wedding and event coordinators came together to share secrets and let guests learn plenty of wedding do's and don'ts! Dress designer Olia Zavozina presented pieces from her wedding attire collection and the Respectables showed off their brand of wedding sound. The new caterer at the club fed the guests a wonderful lunch and Gigi's Cupcakes were a perfect ending to a lovely day.
